

Play Therapy Summer Camp

Age range: 6-7 years old

Goals of program: Build strong friendships, increased confidence, increased self esteem, increased sense of mastery, increased creativity.

Description of program: Campers will enjoy 6 sessions of building strong friendships through structured and unstructured play activities, theatre games and arts activities. Campers will be guided through group play therapy by a trained drama therapist with the intentions of increasing confidence, increasing self esteem, increasing sense of mastery and increasing creativity. Campers will leave with new friends, and new found self love.
